

Phillip Alexander Montague

CERTIFICATIONS:

Diplomate of American Board of Otolaryngology-Head and Neck Surgery 6/1/19-6/30/29

WORK EXPERIENCE:

Quatela Center for Plastic Surgery 11/15/21-present
Facial Plastic and Reconstructive Surgeon
Waldman Schantz Turner Plastic Surgery 11/1/19-10/29/21
Facial Plastic and Reconstructive Surgeon
Quatela Center for Plastic Surgery 7/1/19-7/26/19
Facial Plastic and Reconstructive Surgeon

EDUCATION:

Quatela Center for Plastic Surgery 2018-2019
Fellow
WVU Department of Otolaryngology-Head and Neck Surgery 2013-2018
Morgantown, WV – Resident Physician
University of Louisville School of Medicine 2009-2013
Louisville, KY - M.D.
University of Kentucky 2005-2009
Lexington, KY – B.S. Chemical Engineering
GPA 3.98

HONORS AND AWARDS:

1st Place Otology/Neurotology Poster – Triological Society Combined Sections Jan 2017
Sobisca Hall First Place Resident Research Award – WVU Alumni Day June 2016
Alpha Omega Alpha – Inductee Sept. 2012
Gold Humanism Honor Society – Inductee April 2012
1st Place Medical Student Poster Competition – Research Louisville Sept. 2010
Summer Research Scholars Program Participant – University of Louisville SOM 2010
Moore Scholarship Fund Recipient – University of Louisville SOM 2009-2013
Summa Cum Laude – University of Kentucky 2009
Robert C. McDowell Scholarship Recipient – University of Kentucky 2006-2009
Voted Most Outstanding Chemical Engineering Junior - 2008
University of Kentucky Dept. of Chemical Engineering
Presidential Scholarship Recipient – University of Kentucky 2005-2009

RESEARCH EXPERIENCE/PUBLICATIONS:

West Virginia University Department of Otolaryngology-Head and Neck Surgery

Presentations

1. "Techniques and Outcomes of the Temporoparietal Fascia Flap (TPFF) in Reconstruction of Cutaneous Malignancy Defects: A literature Review" April 2018
Phillip A. Montague, MD. Ian McCulloch, MRes. Rusha Patel, MD
Poster presented at COSM April 2018
2. "Post-Traumatic Organized Maxillary Sinus Hematoma Causing Proptosis In Patient with Von Willebrand Disease" April 2018
Levi Stevens, MD. Phillip A. Montague, MD. Brian Kellermeyer, MD.
Jamie Schaefer, MD. John Nguyen, MD.
Poster presented at COSM April 2018
3. "How's Your Otology Experience: A Survey of Recent Graduates" Jan 2017
Phillip A. Montague, MD. Donald Bennett, MS. Brian Kellermeyer, MD.
Poster presented at Triological Society Combined Sections Meeting
1st Place in Otology/Neurotology Section
4. "Pleomorphic Adenoma of the Soft Palate in 12 year old female: Surgical Management and MRI Review" May 2016
Phillip A Montague, MD. Hassan Ramadan, MD
Poster presented at COSM 2016
5. "Eosinophilic Angiocentric Fibrosis of the Nasal Septum: Surgical Management Using External Rhinoplasty Approach" May 2016
Herman P. Lam, MD; Phillip A. Montague, MD;

Kaylee R. Purpura, BS; Janice S. Ahn, MD; Mark Armeni, MD
Poster Presented at COSM 2016

6. “Facial Reanimation” Oct 2015
Presentation made to Eastern Panhandle of West Virginia AORN Chapter 4908

University of Louisville Department of Otolaryngology August 2012 –May 2013
Student Researcher – Assisting Chief resident in data collection and analysis concerning the prognostic implications of HPV/p16 positive oropharyngeal squamous cell carcinomas.

Kentucky Spinal Cord Injury Research Institute June-August 2010
“Anatomical and Functional Characterization of Fenestrated Endothelium Formation in the Injured Spinal Cord.”
Poster Presented at International Symposium on Neural Regeneration, Pacific Grove, CA, Dec 2011
Montague, A., Maddie, M., Ribble, A., Mozer, T., Benton, RL.

“Role of Endothelial miRNA in Microvascular Plasticity Following Spinal Cord Injury”
Cassandra M. Conrad^{a,d}, Phillip A. Montague^{a,d}, Amanda C. Ribble^{a,c}, Nicole S. Stivers^{a,c}, and Richard L. Benton^{a-c*}
^aKentucky Spinal Cord Injury Research Center (KSCIRC) and Departments of ^bAnatomical Sciences and Neurobiology, ^cNeurological Surgery, University of Louisville, Louisville, Kentucky, USA; ^dUniversity of Louisville School of Medicine, Louisville, Kentucky, USA
(Manuscript in Progress for submission to *Current Neurovascular Research*)

University of Kentucky Department of Chemical Engineering Jan 2008 – May 2009
“Iron Functionalized Membranes for Nanoparticle Synthesis and Reactions”
Separation Science and Technology (in press)
Talk Presented at AIChE Regional Conference, Auburn, AL, 2009
Poster Presented at AIChE National Conference Philadelphia, PA, 2008

University of Kentucky Department of Physiology Jan 2007 – Dec 2008
Student Researcher – Cytoskeletal interactions in Diastolic Heart Failure
Advisor: Kenneth Campbell Ph.D

EXTRACURRICULAR AND LEADERSHIP ACTIVITIES:

Residency

American Academy of Otolaryngology July 2015 – July 2016
Section for Residents and Fellows
WVU Resident representative

WVU Department of Otolaryngology July 2015 – July 2016

Program Evaluation Committee

Resident Member

Clinical Learning Environment Review –

Jan 2016

WVU Department of Otolaryngology Peer-Voted Resident Representative

Medical School

Student Representative on Academic Environment Committee-

Offered 2012

student perspective to committee to prepare for LCME accreditation process

Cardinal Clinic Board of Directors – served on 4 student board that organized 4 student-run clinics. Facilitated preceptor scheduling, patient flow and funding.

June 2012 – May 2013

Co-chair on Cardinal Clinic Development Board – reorganized student-run Clinics and created a 4th year elective (Medical Students as Teachers) for 4th Year students to attend clinics and teach clinical skills to 2nd year medical students.

August 2011 – May 2012

Advisory College Wellness Committee – Co-coordinator of first College Cup, a one day event to promote student wellness and camaraderie among students from all 4 years.

July-Oct 2011

GLOH Clinic Director – Coordinated one of the ULSOM student run free clinics. Tasks included scheduling rotating students and preceptors, as well as promoting the clinic in the community.

April 2010 – April 2011

ICC Student Liason – Liason between class and faculty course director for 1st and 2nd year Interdisciplinary Clinical Correlations course.

August 2009 – May 2011

Gross Notes Editorial Committee – served on student editorial committee to edit comprehensive student-made notes for Gross Anatomy course.

May 2010 – August 2010

SERVICE ACTIVITIES:

Oral Cancer Screenings – Student volunteer with ENT department performing head and neck exams to screen community for oral cancer at local baseball stadium.

April, July 2012

Medals for Mettle Participant – spent time with pediatric cancer patient, then ran in Louisville Half Marathon. Finishing medals then awarded to the children to encourage them in their fight against cancer.

April 2012

Family Scholar House – Louisville Outreach Day student volunteer. Setting up furniture to prepare for opening of housing complex built for single parent students

March 2012

Pre-med Post-Baccalaureate Program – Served as a mentor to Post-baccalaureate students preparing to apply to medical school

2010-2011

Community Health Fair Portland Ave. Presbyterian Church – Student Volunteer

Oct 2010

Supplies Overseas- Student volunteer sorting surplus medical supplies to be used overseas in underserved areas 2009,2010
Physiology Tutoring – student tutor during physiology tutoring sessions for 1st year medical students Oct, Nov 2010
University of Kentucky Hospital – Emergency Department Student Volunteer 2008

PROFESSIONAL MEMBERSHIPS:

American Academy of Facial Plastic and Reconstructive Surgery
Alpha Omega Alpha Honor Medical Society
Gold Humanism Honor Society
Tau Beta Pi Engineering Honor Society
Omega Chi Epsilon Chemical Engineering Honor Society

HOBBIES AND OUTSIDE INTERESTS:

Church
Spending time with family and friends
Fly fishing, tying flies, kayaking, skiing, hiking.
Participating in sport – basketball, tennis, table tennis, running
Traveling
